| The Best & Premium Quality

MISSION

Our mission is to build long term relationships with our valued clients, exceeding their expectations in delivering premium quality products offered at competitive prices.

As well as maintaining a work environment that allows our employees to thrive, where everyone is respected and treated fairly within a highly motivating work atmosphere to ensure continuous improvement.

03.

VISION

In an era where population growth is inevitable, the increasing demand for food has generated the need for our commercially produced frozen food commodities.

Our products provide an extended shelf-life for fruits & vegetables, while contributing to food-waste reduction as well as sustainable development.

04.

PRODUCTION CAPACITY

Our annual capacity is 10,000 tons of frozen fruits & vegetables to meet the expanding local and global demand, whereas Froozeeta's Production Plant is equipped with:

- 1 IQF tunnel
- 1 Spiral Tunnel

OUR COMMITMENT

We take pride in our strict policies that ensure quick Hazard & Critical Points control for our production and manufacturing practices, these policies guarantee clean factory-processing which allows for delivering premium-quality products to all our clients.
